

**FOR IMMEDIATE RELEASE**

**PENNSYLVANIA CENTER FOR DENTAL IMPLANTS AND PERIODONTICS  
HONORED AGAIN BY PHILADELPHIA BUSINESS AWARD PROGRAM**

PHILADELPHIA, April 12, 2015 - Robert A. Levine, DDS, FICD, FICPP, FISPPS and Philip L. Fava II, DMD, MDS, of the Pennsylvania Center for Dental Implants and Periodontics, have been selected for the 2015 Best of Philadelphia Award for the fifth consecutive year in the Dental Implants and Periodontics category by the Philadelphia Award Program. This distinction qualifies the practice for the Program's "2015 Philadelphia Business Hall of Fame."

Each year, the Philadelphia Award Program identifies companies that they believe have used their best practices to achieve "exceptional" success in their local community and who "enhance the positive image of small business through service to their customers and community." These companies, as stated by the Program, "help make the Philadelphia area a great place to live, work and play."

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Philadelphia Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Philadelphia Award Program and data provided by third parties.

**More About The Philadelphia Award Program**

The Philadelphia Award Program is an annual awards program honoring the achievements and accomplishments of "the best of" local businesses throughout the Philadelphia area. Recognition is given to those companies that have shown the ability to implement programs to generate competitive advantages and long-term value. The organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Their mission is to recognize the small business community's contributions to the U.S. economy.
